For Early Learners Ages 5-8

## Book 1: Initial Sounds

This book contains a set of practical photocopy master activities that will enhance any early childhood literacy program. Activities are designed to consolidate and reinforce introductory reading, spelling and handwriting skills. The activities contain child-friendly graphics and are presented in a comprehensive sequence of increasing difficulty, designed to motivate students to develop and learn.

**Initial Sounds** introduces each letter of the alphabet as an initial sound. Students are given opportunities to identify sounds through colouring and matching activities. Letter formation is an essential step in these activities and students will have practice at developing their fine motor skills.

Activities are linked to Level 1 Achievement Objectives related to the English curriculum document.

Other titles in the Alphabet Activities series:

**Book 2: Sound Jigsaws and Word Matching** 

**Book 3: Sound and Word Building** 

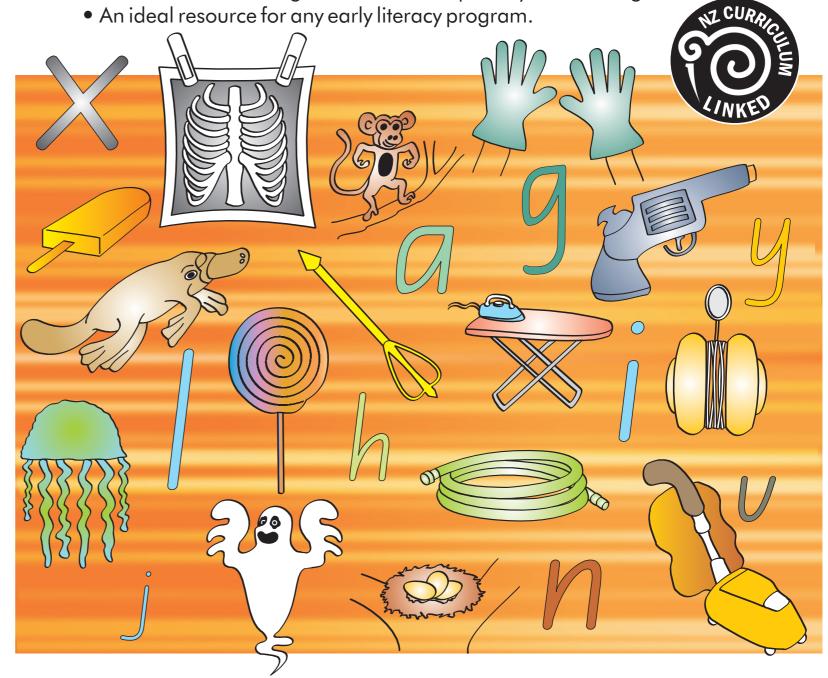

**Book 4: Sound and Word Development**
