

Book 2: Sound Jigsaws and Word Matching

This book contains a set of practical photocopy master activities that will enhance any early childhood literacy program. Activities are designed to consolidate and reinforce introductory reading, spelling and handwriting skills. The activities contain child-friendly graphics and are presented in a comprehensive sequence of increasing difficulty, designed to motivate students to develop and learn.

Sound Jigsaws and Word Matching follows on from Book 1 (Initial Sounds) in this series, giving students opportunities to identify sounds through a variety of activities involving matching and labelling words to pictures. Letter formation is an essential step in these activities and students will have practice at strengthening their fine motor skills.

Activities are linked to Level 1 Achievement Objectives related to the English curriculum document.

Other titles in the Alphabet Activities series:
